AND MUCH, MUCH MORE!

"Nurse"

is just another word to describe a person strong enough to tolerate anything and soft enough to understand anyone. someone who dispense comfort, compassion, and caring without even a prescription.

NINA IN A NUTSHELL

Nina promotes the interests of Nurses in South Africa

We negotiate discounts with suppliers, vendors and service providers on behalf of our members.

Nina provide ongoing support for Nurses through continuous education and seminars, CPD (Continuous Professional Development) training, and by maintaining Nurses CV & portfolio of evidence.

With our Job Board we assist with Job Placements locally and abroad.

NINA promotes the interests of nurses continuously seeking to improve the nursing environment in South Africa.

Because you deserve it!

WHAT WE OFFER

The Association has as its Objectives:

- To support the interests of the Nurse in all spheres affecting her professional career.
- To develop public awareness about the contribution Nurses make in meeting some of the health care needs of the South African population.
- To co-operate with international, national, and other organisations that strive for similar objectives.
- To promote research and continuing education in matters relating to nursing.
- To assist in the provision of continuing professional development of the individual members to ensure the maintenance of high professional nursing standards.
- To act in an advisory capacity in the discussions around the provision of nursing services to the bodies that are tasked with the implementation of private and public health care services in South Africa.
- To promote the various specializations of Nursing and the awareness of the wide range of services available to the public by Nurses, especially amongst the other health professions and the health care user.
- To promote and coordinate the provision of clinical nursing services according to evidence-based practice standards.
- To provide nurses with services and innovative products that will be of benefit and that will add value to the nurse on a daily basis including but not limited to the following: Keeping nurses updated with the latest nursing techniques, research, and practices through meetings, workshops and seminars, and newsletters.

**WHO
ARE
WE**

WE ARE A NON-PROFIT, NON-POLITICAL, UNBIASED INDEPENDENT ASSOCIATION

NINA promotes the interests of Nurses in South Africa and believes that being a nurse is one of the most selfless acts a person can undertake. In a society of so many different races, cultures, customs, and beliefs, nurses are a universal gift to all, and the dedicated work that they do and kindness they deliver on a daily basis should serve as a reminder of the fundamental humanity inside us all.

NINA is a service organisation in terms of our Constitution. We exist solely for our members and there are no shareholders who can lay claim to assets or profits. Because of this, we are able to plough the profits back into benefits for our NINA members.

NINA actively negotiates with various appropriate companies in order to provide very competitive prices on products & services.

OUR MISSION

Because you deserve it!

MAKING A BETTER YOU!

To promote the character and image of the Nurses professionally and publicly as caring and proficient.

The Mission of NINA is to empower nurses to improve health care in all specialties, through the provision of continuing education, seminars and workshops.

OUR VISION

CONTINUAL PROFESSIONAL DEVELOPMENT

The main Vision of the Association is to provide the following:

- Ongoing support for Nurses through the provision of continuing education and seminars,
- CPD training,
- Maintaining & managing Nurses portfolio of evidence,
- Assist with Job Placements,
- Providing members with various benefits as negotiated by NINA on behalf of our members,
- NINA promotes the interests of nurses

Because you deserve it!
